

# BABE'S SANGER RESTAURANT FACTS

➤ This building was built in Sanger in 1898 as the O.M. Gentle Hardware Store. During the years you could find Farmall Tractors for sale here right next to Ford Automobiles

➤ The rounded parts of our cashier stand are actually real wagon wheel hubs.

➤ The hanging lights came from an Stonewall Jackson Elementary on Mockingbird lane in Dallas.

➤ The tables and chairs have all come from other Restaurants and homes.

➤ The boat is a "made by Cruiser" model. Built in 1959 it spent most its life on Tablerock lake in Missouri.

➤ The large white refrigerator at the back of the restaurant was built in the late 40's or early 50's by Tyler Welded Steel.

➤ The pressed tin tile above the north brick wall was once the ceiling of a 1908 building that is now Babe's in Roanoke.

➤ The wood on the outside of the bathrooms came from a barn built in the late 1800's, and sat on the land that is now the Trophy Club.

➤ Our Honey is TEXAS BRUSH HONEY made from bees visiting Catclaw, Mesquite, White Brush, Huajillo and Persimmon. This should be good for local folk's allergies.

➤ A dessert of homemade biscuits with butter, honey and sorghum comes with your meal. This is a typical country dessert we grew up eating. SORGHUM (the jar on the table that isn't honey). Sorghum does not have the strong bitter taste of Molasses.
